The Galápagos — A World Apart

Where extraordinary wildlife, otherworldly landscapes, and the wonders of evolution unfold at every turn. Come discover a destination unlike any other—and the remarkable ways to experience it.

There are places you visit, and places you experience. The Galápagos is the latter—a rare opportunity to step into a world where nature takes center stage, encounters feel entirely unscripted, and moments feel almost untouched by the modern world. From curious wildlife to pristine waters and landscapes shaped by time, every day brings a new sense of wonder—and perhaps a new way of seeing the world. For those who seek travel that goes beyond the expected, few destinations are more extraordinary.

Ways To Experience The Galápagos

There's more than one way to experience the Galápagos, and we've gathered four distinct experiences below. Each journey offers its own perspective on these extraordinary islands, from the ship and itinerary to the ways you'll explore, discover, and connect with this remarkable place.

Silversea - *Silver Origin*

The first destination-specific ship built by Silversea, *Silver Origin* is the height of experiential travel in the Galápagos. Never before have the islands been so superbly presented: a team of Ecuadorian national expert guides, the highest crew-to-guest ratio in the Galápagos, eight Zodiacs, and seamless hybrid spaces that offer an extraordinary voyage—for extraordinary people.

Celebrity - *Flora*

The stunning *Celebrity Flora* is the first all-suites, 100-guest ship designed exclusively for sailing these islands, and it's the first resort at sea in the region to receive a Forbes Travel Guide Four-Star Rating. Inspired by the islands and built with natural materials, the ship merges seamlessly with the surroundings, giving you a feeling of total immersion.
